380-06	Small	12 dozen per case	16
380-07	Medium		18
380-08	Large		18
380-09	X-Large		20

Description

SHOWA 380 VENTULUS is a palm-coated Nitrile glove may have the strongest grip ever. The blue nylon liner is palm dipped in gray Nitrile-foam with a micro-porous Nitrile waffle embossed surface. This glove provides comfort and touch sensitivity and a vice-like grip. The Nitrile-foam coating ensures excellent grip especially in oily applications that is further enhanced by the raised waffle texture.

An elastic band holds it firmly on the arm for enhanced fit. This glove is both thin and tough, allowing precision work to be carried out even in the most demanding conditions.

Launder at 40°C (104°F) using a neutral detergent.

Suggested Applications:

- Mechanical and Automotive
- Construction
- Compartment Assembly
- Handling Oily Objects
- Machining
- Sanding
- Inspection
- Shipping and Receiving

This list of suggested applications is partial and based on laboratory testing of glove performance.
