Endura®

Cowgrain Glove

#375CSi

Gunn-cut style gloves feature soft, full-grain palms with split-leather backs and gauntlet cuffs for excellent abrasion resistance and dexterity. Seams are moved toward the back of fingers and don't rub or cause irritation for greater comfort and longer glove life.

FEATURES

- Endura® gloves are made from smooth, top-grain leather for durability, dexterity and some oil and water resistance
- Cowgrain styles are of a heavier weight and therefore more durable
- Grain leather palms for durability and water-repellancy
- Split-leather backs and gauntlet cuff
