Double-Palm Fitter Gloves

#66BRR

For the toughest, most abrasive jobs, have a pair of our best-selling Endura® fitter gloves on your side. With an extra layer of heavy-weight Tri-tan leather on the palm, thumb and index finger, you can easily handle the unexpected. Gloves are reinforced in all critical areas to give extra protection against abrasion. The outside double-palm offers ASTM-level 4 puncture resistance. Knuckle straps protect against knocks. Back of gloves are cotton with elastic at wrists. Rubberized safety cuffs complete the package.
