Split Deerskin TIG Welding Gloves

#335DBP

Endura[®] welding gloves are made with split deerskin for longer wear. Gloves feature a reinforced cowhide back patch that spans the back of the hand to halfway down the extended cowhide gauntlet cuff, for greater protection against knocks and scrapes. Gunn-cut styling and strapped thumbs round out the comfort and durability of this glove. Fully Kevlar[®]-sewn throughout for seam integrity and resistance to sparks.
