

EMS SINGLE-USE PRODUCTS

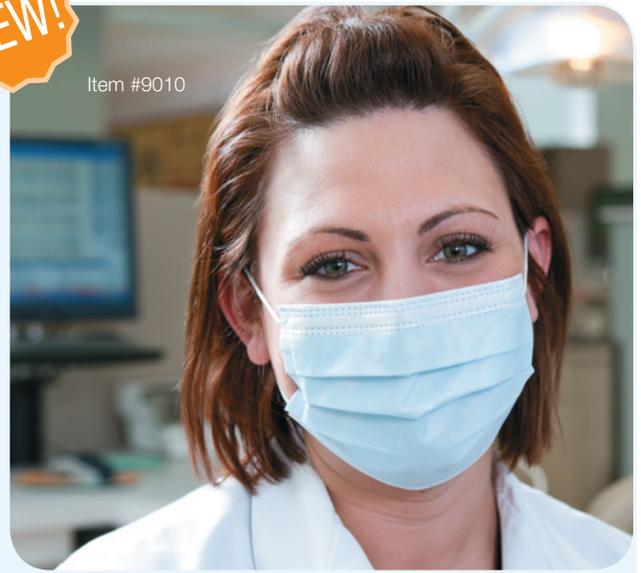

Facemasks

Item #9010

TIDI's fluid resistant facemasks were designed from end user feedback to offer best-available protection and comfort. Manufactured in the USA using soft, breathable materials, our facemasks feature comfortable earloops for long-wear, and surpass protection standards.

Features of facemasks:

- Made in the USA
- Tested using the ASTM F2100-07 test standard
- Earloop design for quick and easy donning
- Fog free strip (Item #9020 only)
- Made from lightweight and breathable materials
- Downward folding pleats to prevent pooling
- Odorless
- Latex free
