Scrim Reinforced (Back Opening)

Tissue/Poly/Tissue (Back Opening)

The Plus Size market is increasing:

- 61% of adult Americans are considered overweight or obese with a BMI (Body Mass Index) >25.
- Obesity cuts across all ages, racial and ethnic groups and both genders.
- Being overweight or obese increases the prevalence of heart disease, type 2 diabetes, stroke, arthritis, respiratory problems, certain types of cancer and depression. This group requires more medical care.
