## TOUCH-LESS ELECTRONIC SKIN CARE DISPENSER 1.2 LITER, BRUSHED METALLIC

Made of high impact plastic with a brushed metallic cover and black back. Automatically dispenses a one shot hand wash volume of soap or sanitizer when user places hand beneath the dispenser. Touch-less system helps reduce the spread of dirt and germs. Uses a 1.2 liter recyclable refill. Incorporates low battery and low product lights for easier maintenance. Choice of key or push button opening. Operates on three D size alkaline batteries. One per case. **Suggested mounting height 10' above counter or other obstruction.**

*NOTE: Unless otherwise noted, suggested mounting height is the distance from the floor to the bottom of the dispenser.*
