“Works Better”

The perforated 4" x 6" sheets are easy to apply, easy to remove and leave no residue while providing a superior barrier on almost any surface.

“Lasts Longer”

These barrier sheets ensure protection from cross-contamination caused by airborne aerosols, splash and debris produced during dental procedures.

“Costs Less”

Quick and easy to use covers that provide protection for dental staff and patients alike at an affordable price.

Barrier Film

Universal infection control barrier with a low tack adhesive backing that is perfect for use in areas that are difficult to clean, disinfect or sterilize. Perforated 4" x 6" sheets are easy to apply, easy to remove and leave no residue. “Non-stick” edge facilitates removal.
